Goldman Stone Mill

We can't wait to help cultivate your wedding at The New York Botanical Garden's idyllic Stone Mill. The building's rustic, exposed walls and reclaimed wood floors create a warm atmosphere perfect for an intimate affair.

On the outdoor terrace, an invigorating view of the Bronx River meandering past majestic evergreen trees creates a perfect natural backdrop for your big day. Newly refurbished and LEED certified, the vintage Stone Mill offers a paramount combination of historic charm and modern comforts. Choose from our classic wedding collection or have our chefs customize a Hudson Valley inspired menu for an unforgettable culinary experience! Our farm-to-table tasting menu is a perfect complement to this bucolic setting, featuring Tuthilltown Spirits heirloom cocktail recipes, Hudson Valley cheeses, locally sourced produce and accents of vintage tins and mason jars brimming with just picked herbs and wildflowers adding life to the bridal suite.

Wedding menu packages as detailed in the Garden Terrace Room will be also available in the Stone Mill. Customized packages are always available to ensure we remain flexible to the varying needs and budgets of our guests.
